

HAYWARD COMMUNITY SCHOOL DISTRICT  
HAYWARD, WISCONSIN

INVITATION TO BID ON LAWN CARE

The Hayward Community School District is seeking bids from qualified providers of lawn and grounds care for maintenance of the School District's lawns. This bid is an annually renewable contract during a three year period (2020, 2021 and 2022). Duties include mowing and trimming on approximately 60 acres per the following schedule:

Lawns around all buildings – Up to twice per week

Baseball fields – Up to three times per week

Football fields – Up to three times per week

Soccer fields – Up to three times per week

Trimming along all driveways, sidewalks, bleachers, poles, fences and buildings – weekly, or as needed

\*\* An optional price should be given for applying herbicides and fertilizer to school grounds. The prices should be based on an hourly rate for those services, with the District providing the materials. Bidders with this option must be licensed by the State of Wisconsin to apply herbicides and fertilizer to school grounds.

Bidders must have proof of insurance and must be able to show they have the equipment to conduct the services in a timely manner. Starting and ending times for this work will depend on the growing season for that year.

For further information, contact: Duane Bemis, Director of Buildings & Grounds at (715)638-9033.

All bids must be received by November 4, 2019 in a **sealed** envelope marked "Lawn Care Bid" in the lower left hand corner. Please submit a reference list with your bid. Bids should be submitted to Jenny Frank, Business Manager, 15930 W. 5<sup>th</sup> Street, Hayward, WI 54843.

**The Board of Education reserves the right to accept or reject any or all bids.**
