  - a. Tik Tok Challenge going on with the kids - we are sending out letters to parents to let them know the situation We are addressing kids and letting them know to do the right thing.
  - b. Covid Update - Our main thing is to keep kids in school safely. Last year we had 96 positives + 716 close contacts resulting in 7160 lost instructional school days (7 of the students tested positive). This year so far we have had 26 positives, 45 close contacts, 450 lost instruction days (2 tested positive). Looking at changing things up at the end of the quarter - one option may be to still do the contact tracing and calling the parents and asking them if they would like to have their child sent home - other options will be explored throughout the rest of the quarter.
