DATE: August 24, 2022

## HAYWARD COMMUNITY SCHOOL DISTRICT ANNUAL ASBESTOS REPORT

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Hayward School District has an Asbestos management Plan at the Hayward Community School District office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in June and December and full re-inspections every three years.

If you have any questions, or would like to review the management plan, please feel free to contact the District Office at (715) 634-2619.
