 RE: Legal Notice - Please publish
 DATE: August 24, 2022

Family income guidelines adopted by the Hayward Community School District, used to determine which children are eligible to receive free or reduced price meals during the 2022-23 school year, have been announced by the Wisconsin Department of Public Instruction. The Central Office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals, or free milk if a split-session student does not have access to the school lunch or breakfast service.

FAMILY SIZE INCOME SCALE -For Determining Eligibility for Free and Reduced Price Meals or Milk

Application forms are being sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals or free milk, households must fill out the application and return it to the school (unless notified at the start of the school year that children are eligible through direct certification). Additional copies are available at the office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by agency or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals or free milk for children in a household where one or more household members receive FoodShare, FDIPIR, or Wisconsin Works (W-2) cash benefits, list the household member and the FoodShare, FDIPIR or W-2 case number, list the names of all school children, sign the application, and return it to the school office.

For the school officials to determine eligibility for free or reduced price meals or free milk of households not receiving FoodShare, FDIPIR or W-2 cash benefits, the household must provide the following information requested on the application: names of all household members, total number of household members, and the adult signing the application form must also list the last four digits of his or her Social Security Number or mark the box to the right of "Check if no SSN". Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal and free milk policy, the principal of the school will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to : Craig Olson, District Administrator, Hayward Community Schools, 15930 W 5th Street, Hayward, WI 54843, 634-2619, ext. 9001.

If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals or free milk if the household income falls at or below the levels shown above, and they may reapply at that time.

Children formally placed in foster care are also eligible for free meal benefits. Foster children may be certified as eligible without a household application. Households with foster children and non-foster children may choose to include the foster child as a household member, as well as any personal income available to the foster child, on the same application that includes their non-foster children.

The information provided by the household on the application is confidential. Public Law 103-448 limits the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs. Consent of the parent/guardian is needed for other purposes such as waiver of text book fees.
