## HAYWARD COMMUNITY SCHOOLS ACCESS TO STUDENT RECORDS BY MILITARY RECRUITERS

Under the provisions in Title XI of the Federal Elementary and Secondary Education Act (ESEA) the Hayward Community School District shall provide armed forces recruiters access to students and student recruiting information.

### Student Recruiting Information

The Hayward Community School District shall provide, upon request by military recruiters or an institution of higher education, access to high school student names, addresses, school email addresses and telephone listings, referred to as directory data under s.118.125, Wis. Stats.

A high school student or parent of the student may request, in writing, that this information not be released. The Hayward Community School District is required to notify parents of this option as provided in Policy and Rule 347 Maintenance and Confidentiality of Student Records.

### Access to Students

The Hayward Community School District will provide military recruiters the same access to high school students as it provides to post-secondary educational institutions or to prospective employees of these students.
