"Be the One Positive Impact Every Day"

A Note from our District Administrator,

Our mission is simple, "ACHIEVE." It is expected that all of our students, staff, parents and community members ACHIEVE at the highest level possible. It is our job to provide the tools to make this mission a reality. I feel that the school and the community must work together in order to ACHIEVE our goals.

The Hayward Community School District is committed to providing the best possible education and school experience for all of our students. Our entire team of educators is looking forward to the new challenges and opportunities that the 2022-2023 school year will bring. Please stop in and see me if you have any questions or concerns.

## *School Attendance*

When your child is absent from school, please call your child's school office and let them know the reason for the absence. You may call anytime and leave a voice message; phones are on 24 hours a day. It is very helpful to call before 8:30 a.m. You must call every day your child is absent unless the absence has been pre-arranged.

## *School Bus Information*

Bus service is available to all students who live outside a safe walking distance to their school. More than 35 buses cover the 622 square miles that comprise the Hayward Community School District. This includes the communities of Hayward, Seeley, Stone Lake, Reserve, New Post and all rural areas within the district. All students are potential bus riders. Since buses are an extension of the classroom, students are expected to conduct themselves accordingly. For the safety of our students, bus passes will not be allowed this year and families will be limited to a specific route. For information on bus pick-up and drop-off schedules, please contact:

**Please do not drop children off before 7:45 a.m.**

**We do not have any supervision until this time.**

**Thank you!**

If you need to pick up your child during school hours, you must come to the office. Teachers are not allowed to release children from school. Parents must sign out their child. Only people listed on the child's emergency card (that parents have completed during enrollment) may pick up a child.

## *Important School Closing Information*

~~~~~

On rare occasions school may start late or be closed due to severe weather conditions or other emergencies. We attempt to inform parents/guardians as quickly as possible.

Hayward School District has implemented a phone system that will call every family in the district when the school has to close for any reason. You must have a current phone number on file to receive these calls. School closing announcements are also posted on the school website at www.hayward.k12.wi.us.

Check out any of these medias for up-to-date information on weather related cancellations:

Broadcast via the three
Hayward radio stations;
WRLS-92.3, WHSM-101.3, & WOJB-88.9.

On area TV stations Channels
**KBJR-TV 6, KDLH-TV 3, &
WDIO-TV 10.**

Weather may turn bad during the day. If that situation arises, school may be closed early. When this happens it usually takes 1½ hours from the time the decision is made until bus departure time.

Please listen to the local radio stations for this information or check the website.

Please do not call the school.

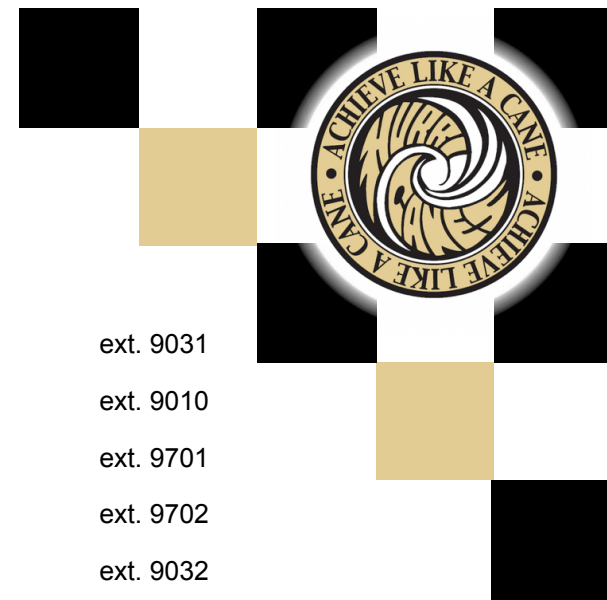

This information will be made available to you as soon as a decision has been made.

Prepare your child for an emergency school closing situation. We ask parents/guardians to discuss emergency transportation in advance so that your children know what to do in case of an early dismissal (i.e. telling the child where he/she should go if you are not at home).

SCHOOL BREAKFAST & LUNCH PROGRAM

2022-2023 School Year

	<u>Breakfast</u>	<u>Lunch</u>
High School (9-12)	Free	\$2.70
Middle School (6-8)	Free	\$2.60
Intermediate School (3-5)	Free	\$2.40
Primary School (K-2)	Free	\$2.40
Adult	\$2.56	\$4.65
Ala Cate Milk	\$0.40	\$0.40

The Hayward Community School District implemented a food service program managed by Chartwells School Dining Service beginning in the 2010-11 school year. The food service program complies with all guidelines for the National School Breakfast/Lunch program. Each day students will select from several items offered to make up a school lunch. Each student will select at least three and up to five different components daily. The components that will be offered will be protein, fruit, vegetable, fruit, bread/grain and milk.

The students at the Primary School and Intermediate School will choose from 2-3 reimbursable (type A) entrée choices daily. In addition they will also select from two fruit choices (with one fresh fruit offered daily), vegetable, bread and milk.

The students at the Middle/High Schools will choose from 6-9 reimbursable entrée choices daily. In addition, they will select from a variety of fruit and vegetables choices, as well as a grain and milk.

Because the reimbursable (type A) lunches are nutritionally balanced and tailored to comply with USDA requirements, your children will be receiving the nourishment their bodies need.

The Middle and High School also offer ala carte items to students. Prices for these items vary and the cost of these items can be deducted from the student's lunch account. Students may not purchase ala carte if the account balance is negative.

The district uses a computerized food service program to record payments, purchases and account balances for each student.

Each student has his/her own lunch number and this number is entered each time they purchase lunch or breakfast. Money is deposited into a family account. If a parent has more than one child in the district there is no need to send separate checks or make separate deposits.

Checks must include the student's name, building, account number and the amount to be applied to that account and should be made payable to Hayward Community School District. Deposits may be made weekly, monthly, each semester, or yearly into the account at any building or through the mail. Payments can also be automatically withdrawn electronically from your checking account or charged to your credit card at any time. Visit Electronic Payments at www.hayward.k12.wi.us.

All lunches must be prepaid or paid for daily. Charges will not be accepted. Students and parents are encouraged to keep a record of when they redeem prepaid meals, to avoid running out of meals. You will be notified when your balance drops below \$7.00.

Families may be eligible for free or reduced price meals. A new application must be completed each year. An application, instructions, and other information will be sent home.

PAC: Parents Assisting Canes

It is the policy of the Hayward Community School District to encourage and facilitate parent/guardian involvement in their child's educational experience. Communication between home and school is imperative at all grade levels. Each building level has the responsibility to communicate with parents/guardians relevant information about school policies, expectations and activities, as well as to ensure reasonable access to their child's classroom, to the school, and to its personnel. Parent Advisory Committees (PACs) are established at each building and committee meeting minutes are posted on the building websites. All parents/guardians are invited and welcome to join the parent advisory committees. It is important to have parents get involved at their child's school by joining the Parent Advisory Committee.

Meetings for the:

District Parent & Community Advisory Committee are usually held the first Wednesday of each month at 8:15 a.m. in the Central Office Conference room.

Primary School Parent & Community Advisory Committee Meetings are held on the second Tuesday of each month at 8:30 a.m. in the Primary School Conference Room. Please check the school website for up-to-date information.

Intermediate School Parent & Community Advisory Committee Meetings are held on the second Wednesday of each month at 8:30 a.m. in the Intermediate School Conference Room. Please check the school website for up-to-date information.

Middle School Parent & Community Advisory Committee are usually held on the second Monday of each month at 8:30 a.m. in the Middle School Conference Room.

High School Parent & Community Advisory Committee are usually held on the second Wednesday of each month at 8:30 a.m. in the High School Conference Room.

Indian Education Parent Advisory Committee usually meets the second Tuesday of each month at 4:00 p.m. at the LCOOCC.

HACIL Parent Advisory Committee are usually held both on a Tuesday and Thursday quarterly.

Northern Waters Parent & Community Advisory Committee will meet as determined by the NWES families and friends at the beginning of the school year. Email us to get involved or attend a meeting!

bhager@hayward.k12.wi.us.

Parent and Community Advisory Committees

All parents/guardians are invited and welcome to join the Parent Advisory Committees. Parents are encouraged to get involved at their child's school.

Make a positive change for your child's school, call your child's building principal to find out how you can join their parent advisory committee today!

VOLUNTEER PROGRAM

Volunteer your time!

School volunteers are the parents, students, senior citizens, community members, service organizations, and businesses who care about students and want to help the school district. Volunteers are needed to assist in the classrooms, share hobbies and careers, chaperone field trips and assist with clerical and classroom duties. Our school is working to improve ways that schools and families can help each other and help all children to succeed in school. The District, in collaboration with UW Extension, will offer a basic Volunteer Training for adults interested in volunteering in any of the schools.

Please contact a building principal to volunteer in our district:

Wade Reier - Grades 4K-2

Ronda Lee - Grades 3-5

Hugh Duffy - Grades 6-8

Daniel VanderVelden - Grades 9-12

Kelly Ryder- Northern Waters Environmental School, Grade 6-12

WHAT IS iP@L:

Integrated Personal Anytime, Anywhere Learning

Integrated Personal Anytime, Anywhere Learning (iP@L) is a partnership of all stakeholders (teachers, parents, students, community) working together to increase achievement by improving teaching and learning in a collaborative environment by implementing the incorporation of cloud-based teaching and learning into our schools.

Classrooms are changing. No longer will students be confined to a seat, classroom and schools. No longer will our classes be limited to available instructors from 8:00 to 3:45 time clock in a 180 day academic calendar. With the adoption and implementation of Pervasive Technologies and global connectivity students will be able to learn and teachers will be able to teach at any time in any location. Schools, course offerings, and teaching pedagogy will need to be dynamic and ever changing.

- * Our vision is to increase learning using integrated personal anytime, anywhere learning (iP@L).
- * Our mission is to increase achievement by improving teaching and learning in a collaborative environment by creating a partnership of stakeholders and implementing the incorporation of cloud-based teaching and learning.

TECHNOLOGY DEPARTMENT GOALS

~ Assist teachers in increasing a presence for their teaching resources in the Cloud (Internet) using either Moodle, G-Suites for Education or other Content Management Systems.

~ Identify times and outline tasks to be completed to allow Personal Learning Network. Collaboration to take place in the District weekly.

~ Move toward Pervasive Technologies for all teachers to use within the District.

"LIKE A CANE" CAMPAIGN

Our Vision...

Continue our district's mission to empower all students and staff to reach their highest potential by providing a safe and supportive environment.

This School Promotion campaign will deliver an opportunity, fostering a progressive positive school/community bond. Joining this campaign will show the kids in our district just how much our area business leaders care for the Canes!

The Hayward Community School District does not receive any profits from the Like a Cane partnership, only great community support !

## Our School

Hayward Primary School is a great place for children to start their formal education. Our energetic, lively staff loves to have a lot of fun while providing hands-on, developmentally appropriate learning activities. Our school is proud of our accepting, warm and caring environment we create for our youngest students.

## Required Classes

Your child will be enrolled in a classroom of 18 students or less, with their core curriculum being taught by one teacher. Other classes your child will be taking at this level include: Art, Music, Phy.Ed, Computer Lab, Ojibwe Culture, and Library. We also offer intervention and enrichment programs with activities for all students.

## *Hayward 4 Year Old Kindergarten*

All children who are four on or before September 1 may apply to attend the Hayward 4 Year old Kindergarten. We are committed to offering every four year old in the District access to a quality early learning experience. We will help each student acquire the skills they need to be ready for Kindergarten and beyond. Four-year-old students must present certification of birth, immunization records, verification of physical address and provide current medical physical examination documentation.

If you have any questions regarding this program, feel free to contact Mr. Reier, Principal, at 715-638-9201.

## *Canes Kids Club*

The Canes Kids Club Program is being offered opposite of your 4K school classroom session, in conjunction with our school hours (7:45-3:10). This program will offer continued learning, quiet time and social interaction. Monday through Thursday care will be provided at \$16.00 per half day and Friday all day care will be \$30.00 per day.

Busing and breakfast/lunch will be provided.

If you have any questions regarding this program, feel free to contact Mr. Reier, Principal, at 715-638-9201.

## **Picking up Students at Dismissal:**

Parents who pick up their children after school are asked to wait outside. Parents are not allowed in our hallways or at classroom doors during the day until all students have been safely dismissed. This will ensure that all students have a safe and orderly school day.

**\*\*Volunteers are encouraged to contact the school secretary\*\***

Grades 6 - 12

~~~~~  
Principal: Kelly Ryder

*Northern Waters Environmental School* is a project-based learning community in the Hayward Community School District. Here middle and high school students explore their natural, economic and cultural environment to foster collaboration, communication, creativity and critical thinking. With educator and partner support, students develop the skills and confidence needed to achieve in all academic areas. This full-time public school option is available for sixth through twelfth grade students.

Designed to take students beyond the four walls of the classroom, students learn all academic subjects - reading, mathematics, science, and social studies- integrated through hands-on

projects and field-based inquiry.

At NWES, we believe community partnerships are essential to the learning process. NWES is a part of the Hayward School District who contracts with the Northern Waters Board of Directors. The board is made up of community members and parents, who help operate the school.

# SPECIAL EDUCATION PROGRAMMING

The Hayward Community School District is committed to providing high quality special education and related services to students with disabilities in a child's least restrictive environment. Services are determined by Individual Education Plan teams and are based on each child's unique needs. All children are provided a free and appropriate public education as defined by State and Federal statutes.

Questions regarding special education programming, services, or assessment can be directed to Laura Kieran Director of Pupil Services and Special Education at 715-638-9623.

## ***Child Find Notice***

Upon request, the Hayward Community School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability and if the child needs special education services. The district locates, identifies and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child. This includes referring a homeless child to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child. This includes a homeless child to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child has a disability. A referral may be made by contacting Laura Kieran, Director of Pupil Services and Special Education at 715-638-9623.

## ***PUBLIC NOTIFICATION OF NON-DISCRIMINATION POLICY***

### ***411 EXHIBIT 1 - NEOLA***

### ***2260 - NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY***

The Board is committed to providing an equal educational opportunity for all students in the District.

The Board does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities.

This policy is intended to support and promote nondiscriminatory practices in all District and school activities, particularly in the following areas:

- A. use of objective bases for admission to any school, class, program, or activity;
- B. prohibition of harassment towards students and procedures for the investigation of claims (see Policy 5517);
- C. use of disciplinary authority, including suspension and expulsion authority;
- D. administration of gifts, bequests, scholarships and other aids, benefits, or services to students from private agencies, organizations, or persons;
- E. selection of instructional and library media materials in a nondiscriminatory manner and that reflect the cultural diversity and pluralistic nature of American society;
- F. design and implementation of student evaluation practices, materials, and tools, but not at the exclusion of implementing techniques to meet students' individual needs;
- G. design and configuration of facilities;
- H. opportunity for participation in extra-curricular and co-curricular activities provided that separate programs for male and female students may be available provided comparable activities are made available to all in terms of type, scope, and District support; and
- I. the school lunch program and other school-sponsored food service programs.

## ***Education of Homeless***

It is the policy of the Hayward Community School District, in accordance with the McKinney Vento Act, to ensure that homeless children and youth are provided with equal access to educational programs, have an opportunity to meet the same challenging academic achievement standards and are not segregated on the basis of their homeless status. Hayward will establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

For more information on services for homeless children and youth please contact Laura Kieran at 715-638-9010.

## ***Parents Right to Know***

Parents have the right to request and receive timely information on the professional qualifications of their children's classroom teachers. School Districts must report:

\*Whether the teacher has met state qualifying and licensing criteria for the grade levels and subject areas in which the teacher is teaching;

\*Whether the teacher is teaching under emergency or other provisional status through which state qualification of licensing criteria have been waived;

\*The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, including the field of discipline of the certification or degree; and

\*Whether the child is provided services by para-professionals and, if so, their qualifications.

In addition, if a child is assigned, or taught by a teacher who is not "highly qualified" for four or more consecutive weeks, the parents must receive timely notice.

SOCIAL MEDIA

What:

The Hayward Community School District is growing our Facebook, Twitter, Instagram & Youtube Channels

- Facebook - www.facebook.com/HaywardCommunitySchoolDistrict
- Twitter - @HaywardSchools
- Instagram - @HaywardSchools
- Search Hayward Community School District on www.youtube.com

Why:

1. Celebrate our students
2. Keep parents, students, community & alumni in the loop of what is happening at the school
3. Promote events and share information like concerts, no school or fundraiser reminders
4. Build an ongoing conversation of the positive impact Hayward is making in the lives of our students!

What do I need to do?

- If you are on these social media sites – follow us!
- Help promote the pages to your family and friends.
- If you aren't on these sites – that's OK. Hayward will continue to provide communication through traditional channels.

If you have additional questions, please reach out to your student's principal. Your children and their safety is our utmost priority. This program is being implemented with the help of #SocialSchool4EDU, an experienced partner to schools using social media to tell their story.

If you wish to have photos containing your student to be excluded on our social media pages, please notify the school office.
